Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 3 references to be considered by the Examiner. These references correspond to related co-pending applications, the file histories of which the Applicants request that the Examiner consider. The Applicants understand that the Examiner has access to sophisticated online Patent Office computing systems that provide ready access to, for example, specification and drawing publications, pending claims and complete file histories, including, for example, cited art, office actions, responses, and notices of allowance for each of the above-referenced pending applications. However, if the Examiner determines that any of the foregoing are of interest or of particular importance to the present application claims, and/or the Examiner cannot readily access the file histories of any of the foregoing references through the foregoing Patent Office computing systems, the Applicants will provide such document(s) at any time upon specific Examiner request.
